The above prices are intended for general guidance purposes only. These prices are averages derived from data received from a range of growers and potentially include all conifer species and harvest types. **The averages marked \* relate to average prices derived from a small number of sales data.** It should be noted that roundwood prices will fluctuate over time and by species and from location to location and no liability will be accepted by the Irish Timber Growers Association or UCD Forestry Section for the supply of the price data.

All growers are advised to get independent advice in relation to roundwood sales and prices. The Irish Timber Growers Association would like to thank Assistant Professor Amanda Sosa of UCD Forestry Section for her role in compiling these prices.
